Dear Mr. Neel:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The totals listed on Lines 11(a)(iii), 11(d), and 17, Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule A supporting Line 17 of your report discloses a payment(s) from a federal candidate committee(s) for goods and/or services provided by your committee. 11 CFR §100.7(a)(1)(iii)(A) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.7(a)(1)(iii)(B)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided to the federal candidate committee(s) and explain the steps your committee took in determining the amount(s) charged. If your committee provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by your committee to the federal candidate committee(s) and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.7(a)(1)(iii)(A))

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, the FEDERAL SHARE when added to the NON-FEDERAL SHARE, should equal the TOTAL AMOUNT. Your report discloses a payment to Automatic Data Processing in the amount of \$640.00 where the total of the FEDERAL SHARE and the NON-FEDERAL SHARE does not equal the total amount. Please amend your report to clarify this apparent discrepancy.

-Your report discloses a payment(s) on Schedule D to Verizon, which has not been recorded on a disbursement schedule. Debt payments must be reflected on Schedule B or H4 as well as on Schedule D. Please amend your report to clarify this discrepancy. 2 U.S.C. §434(b)(5)(D)

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
